EDPOWER: THE ENROLL DIRECT NEWSLETTER

ENROLL DIRECT

WELCOME TO THE REAL-WORLD. CHEAT SHEET YOU DIDN'T KNOW YOU NEEDED

Between the news cycle screaming “job market chaos!” and your cousin back home asking, “So, will you stay in the UK or nah?” We know you’re juggling enough. That’s why we’ve done the digging for you.

HOT DEGREES, REAL CAREERS:

The Sectors
Still Hiring
(Even After the
Visa Shake-Up)

This month, we’re cutting through the noise and zeroing in on where careers are being built right now in the UK. Yep, it’s bigger than just London vibes think booming industries in Manchester, tech hubs in Leeds, and healthcare heroes needed practically everywhere.

Inside this issue? The real tea on who’s hiring, which skills are in serious demand, and how you can line up your study and career choices for maximum impact. Whether you’re picking your degree or plotting your next visa move, consider this your go-to guide for not just surviving in the UK job market — but thriving.

THIS MONTH: WHO’S
HIRING, WHAT’S HOT,
AND HOW YOU CAN GET IN

Post-Visa Panic? Nah.

Hot Hiring Sectors

Tech might've had a few layoffs, but cybersecurity and data analytics are still thriving. The green economy is blowing up too, think roles in sustainability, clean energy, and environmental planning. Oh, and healthcare? Still practically begging for talent.

Regional Highlights

The North East is investing big in green jobs, the Midlands is flexing with advanced manufacturing, and Scotland is going full steam ahead in fintech. Don't sleep on regional opportunities London's cool, but it's not the only game in town.

Skills That Slap (on Your CV)

What's trending on the skills front? Think AI literacy, supply chain smarts, and anything related to ESG (environmental, social, and governance). Employers are loving soft skills too especially adaptability, communication, and critical thinking (yes, your group projects actually count).

So What Does This Mean for You?

It means choosing a course or specialisation that lines up with where growth is actually happening not just what sounds good on paper. It means looking beyond the usual cities + career goals are more likely to align.
